

## Directions to the Center for Energy & Environmental Policy, Graham Hall

### From the north (including Philadelphia):

Via Interstate 95 South. (As an alternate around Wilmington, Delaware, you may take I-495. It merges with I-95 south of Wilmington.)

Take I-95 South to Delaware Exit 1-B; Route 896 North, which becomes South College Avenue at the intersection with Route 4. Continue approximately two miles on South College Avenue (past Fred P. Rullo Stadium, the Bob Carpenter/Sports Convocation Center, Delaware Stadium, and the Delaware Field House – all of which appear on your right). Go over the railroad bridge at the Amtrak station and turn right at the light onto East Park Place. Turn left at the first light onto Academy Street.

Visitor Parking. **Perkins Garage:** turn into the Perkins Garage on Academy Street (elevated parking garage on your right shortly after the turning onto Academy Street), the entrance to which is just before the Perkins Student Center. On-street metered parking in front of Graham Hall is sometimes available

Walking Directions to CEEP (Graham Hall, Rm. 278): Walk down Academy Street, crossing Lovett Ave., to Graham Hall on your right. Graham Hall houses the Center for Energy and Environmental Policy and is immediately adjacent to Pearson Hall – the buildings are connected by the University's Round House, a snack bar. Enter Graham Hall through the main door and turn right onto a long hallway. Proceed through the exit door. Immediately on your left is another door to the stairwell. Use the stairs to reach the 2<sup>nd</sup> floor and CEEP's entrance (Room 278) is on your left.

### From the south (including Baltimore):

Take Interstate 95 North. Continue to exit 109B (Look for "Elkton/Newark, Del." and "University of Delaware" signs).

Exit at 109B onto Md. Rt. 279, which heads northeast towards Newark. At the Maryland-Delaware state line, Rt. 279 becomes Del. Rt. 2 (Elkton Road) and feeds directly into Newark. Elkton Road will eventually end and force you to take a right turn onto Delaware Avenue. At the second stoplight, you will reach the intersection of Delaware Avenue and South College Avenue. Proceed to the next intersection and stoplight on Delaware Avenue. Turn right onto Academy Street.

Visitor Parking. **Perkins Garage:** turn into the Perkins Garage on Academy Street (elevated parking garage on your right shortly after the turning onto Academy Street), the entrance to which is just before the Perkins Student Center. On-street metered parking in front of Graham Hall is sometimes available

Walking Directions to CEEP (Graham Hall, Rm. 278): Walk down Academy Street, crossing Lovett Ave., to Graham Hall on your right. Graham Hall houses the Center for Energy and Environmental Policy and is immediately adjacent to Pearson Hall – the buildings are connected by the University's Round House, a snack bar. Enter Graham Hall through the main door and turn right onto a long hallway. Proceed through the exit door. Immediately on your left is another door to the stairwell. Use the stairs to reach the 2<sup>nd</sup> floor and CEEP's entrance (Room 278) is on your left.

### From Dover, Delaware and points in southern Delaware:

Take Del. Rt. 1 North or U.S. Rt. 13 North to Interstate 95.

Take I-95 South and immediately exit onto Rt. 273 west (bearing right on exit ramp) and continue into Newark (this two-lane road becomes East Main Street just after intersecting with Del. Rt. 72). Once on East Main Street, move into the left lane, go through three stoplights, and at the fourth stoplight turn left onto Academy Street.

Visitor Parking. **Perkins Garage:** turn into the Perkins Garage on Academy Street (elevated parking garage on your right shortly after the turning onto Academy Street), the entrance to which is just before the Perkins Student Center.
